The DIMMER VIEW

One Step Against Bureaus

Today, there's better communication between individual Congressmen and their constituents than ever before.

This has been accomplished by professionally prepared newsletters.

Once they were dreary, useless printed pieces which overwhelmed the reader with long rows of figures that were not understandable by the homefolk, and gobbledegook about some matter of no interest to the average voter.

Now they are spritely and informative. Many are unquestionably above the ability of the congressman in layout and literary quality.

Regardless of who or how, the letters must reflect the thinking of the legislator, and in the end he must stand on what he mails out — at government expense.

What's more, some are downright interesting.

The U.S. News Assn. attracted our attention to one issued recently by Congressman George Hansen of Idaho who noted that every family in the U.S. is being robbed of $2,000 every year by Uncle Sam's myriad of federal regulations.

"Just in the area of the standard regulatory agencies, the number has doubled in the past 10 years to 24. There are now more than 63,000 federal bureaucrats with regulatory functions in these agencies. While Congress was churning out 404 laws, the federal bureaucracy was churning out 7,496 regulations!", he said.

"The Office of Management and Budget — the Executive Branch's bookkeeper — estimates that regulations cost $130 billion a year, or $2,000 a family, in artificially inflated prices, additional costs to consumers, and lost productivity.

"For example," Hansen continues, "there are more than 5,146 different government forms required to be filled out by businesses at a total estimated cost of $40 billion.

"Some of these regulations go so far as to stifle competition and create monopolies. For instance, the Interstate Commerce Commission prohibits competition by prescribing routes carriers may travel, commodities they may carry, and the size and conditions of loading."

He singled out two agencies as being in conflict with the Bill of Rights and "doing violence to the small business and small towns of the nation". He cited the Environmental Protection Agency (EPA) and the Occupational Safety and Health Administration (OSHA). The Congressman also indicts the Consumer Product Safety Commission — two of whose "memorable" reports were on how to strike book matches and how to get in and out of bathtubs.

Hansen recently launched a national effort to alert citizens as to their legal rights when confronted by Big Brotherism in violation of such Constitutional guarantees as trial by jury and no illegal search and seizure. He also made a good case for a bill before Congress called the Regulatory Reform Act of 1976.

The bill would require the President to submit reorganization plans for these agencies at specified times during the next four years — plans that would make the agencies leaner, less oppressive, less duplicative, and less costly.

"These are just some of the steps we can take to bring this monster under control," he told his constituency. "We will have to do it if democratic government is to survive."

Ronald Reagan on Capital Punishment

. . . . There were people who were opposed to the death penalty who came to the Capitol. As a matter of fact, one group of people held a service on the Capitol steps and then asked that all the church bells in the State be tolled at the moment of an execution.

I had no quarrel with that and I told them I didn't.

I said that I think that any of us would want to be praying for the soul of another human being in a moment like that but I said I thought it might also be appropriate to toll church bells every time someone was murdered in California.

CB Radios Target for Grove-Valley Burglars

Burglars show a high interest in CB (Citizen Band) auto radios these days. Apparently they are bringing a high price on the "stolen goods" market. They are easily obtained from most cars and the CB antenna signifies that a CB set is in the auto. Generally, the thief enters by breaking open the car's windwing. The thief then reaches the door handle and he's in.

Here is a partial list of stolen electronic items during a three-day period recently.

April 30, 10:40 a.m. — John Campbell, 9145 Maynard st., Spring Valley, reported his CB radio was taken during the night. Value: $159.

April 30, 6:13 a.m. — Louis F. Bassett of 934 St. George st., Spring Valley, reported his CB taken while he was sleeping. Loss: $225.

April 30, 9 a.m. — Peter G. Rounds, 1419 Cornwall, Spring Valley. An 8-track AM-FM stereo and a box of 8-track tapes were taken from his auto while he was sleeping in his residence.

May 1, 9:45 a.m. — While Donald Lewis Carroll was away from his residence at 7549 Mt. Vernon st., Lemon Grove, a CB radio worth $123 was taken from his truck, he reported.

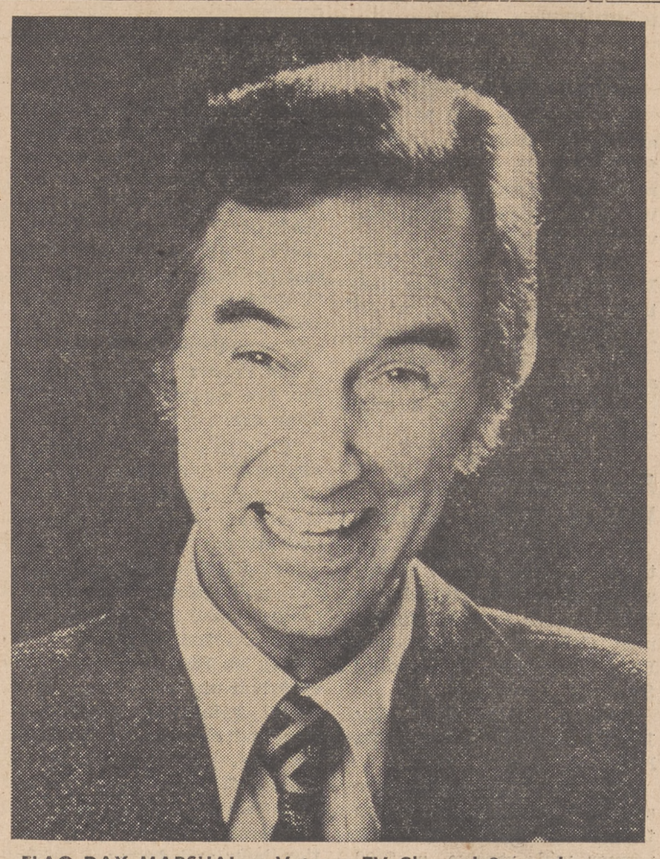

May 1, 10 a.m. — A 23-channel CB radio was taken from the auto of Janice M. Snodgrass who lives at 8865 Kelburn st., Spring Valley. It was worth $174, she said.

May 1, 6:20 a.m. — A $229 CB radio was taken from the auto of Edward M. Snyder at 912 Rangeview dr., Spring Valley.

May 1, 10:15 a.m. — Robert H. Gruner reported that his CB radio was taken while he was sleeping in his residence 883 Rangeview dr., Spring Valley. It will cost $225 to replace it, he said.

May 1, 10:03 a.m. — Henry F. Hanson of 8820 Bellwood st., Spring Valley, reported that someone had taken his CB radio and a tape deck from his car during the night hours. His loss was set at $251.

May 3, 9:03 a.m. — A thief unscrewed the door handle of his tractor trailer and made off with a CB radio, tools and his wallet, while he was away, Dave E. Swanstund told sheriff's deputies. The truck was parked at 4032 Helix st., Spring Valley.

FLAG DAY MARSHAL — Veteran TV Channel 8 weatherman and announcer Doug Oliver has agreed to serve as Grand Marshal for the sixth annual Casa de Oro Flag Day parade down Campo rd. Saturday, June 5 at 3 p.m. Oliver has been with the San Diego station since 1954 and has been forecasting the weather since 1961. At last word there were no bets placed on whether the choice of grand marshal this year will ensure a sunny parade day.

Property Owners Short

Tax Delinquencies Grow

County property owners who failed to pay their 1975-76 real estate property taxes on time owe a little more than $1.5 million in penalties and costs on 31,294 delinquent bills, according to County Tax Collector James E. Jones.

The dollar amount of delinquencies is higher this year, Jones said, but the percentage is down slightly. This difference is explained by the fact that a record number of tax bills were mailed and the total dollar amount of this year's bills was more than last year's.

On the first day after the deadline for the second installment, 5.03 per cent of the 1975-76 taxes were delinquent. Past due taxes, penalties and costs amounted to $26,027,913.

Jones said notices will be mailed this week to property owners who have not paid their tax bills reminding them that redemption penalties of one per cent per month will be added to the six per cent penalties already accrued if bills are not paid by June 30.

Property owners should pay the amounts shown on their reminder notices to avoid publication of delinquencies and to avoid paying added redemption penalties and fees. Taxpayers who have questions can get answers about their taxes by calling the tax collector's office at 236-3121.

4-Time Burglary Victim Squawks

Burglars outsmarted the burglar alarm system at Dave's Texaco station at 6310 Federal blvd., Lemon Grove just before 4 a.m. May 4.

Dave Newbrough, operator of the station, said the station had been burglarized four times in the past four months.

Newbrough fired off letters to the Sheriff and the County Board of Supervisors complaining about the low level of protection afforded taxpayers in the Lemon Grove-Spring Valley area.

He told supervisors that only two sheriff's patrol cars are available for covering the east county because of the supervisors' penurious determination with regards to county police protection.

He also sent a letter to Sheriff Duffy citing his losses of $2,280.93 plus 8 batteries. He noted that he often sees cruisers out of service during daylight hours and asked him to shift these to the night shift.

The letters were dated May 7.

Sheriff Promotes Grove Officer

Now it's Lt. Bob E. Murkerson, a Lemon Grove resident who was assigned to the Sheriff's Department in the Lemon Grove office until last August. He has since been assigned to the Internal Affairs Department.

Murkerson lives on Mt. Vernon st. His promotion was announced this week by S.D. County Sheriff John Duffy.

Deputy Scott T. Bois, who also worked out of the Lemon Grove office as a detective, was promoted to sergeant and transferred to duty at County Jail.

Captain William B. Shope, who worked the East County out of Santee, and later as County Jail Commander, has been promoted to inspector, filling the vacancy created by the retirement of Inspector Quentin D. Cash last month.

$300 Silver Missing

$300 in silver coins was stolen from the home of Vern R. Johnson at 3483 Ybarra, Spring Valley while he was away on May 3. The loss was reported at 2 p.m.

Tax Fine $2,000 For S.V. Worker

A Spring Valley construction worker has been sentenced to five years of probation and fined $2,000 on a charge of income tax evasion.

Walter R. Leroux, 46, of 2515 Sweetwater rd., Spring Valley, was among 15 construction workers indicted by a federal grand jury for similar offenses.

Those indicted worked for Jack Files Construction Co. of El Cajon.

Asst. U.S. Atty. Robert Krause said all of the men, including Leroux, had failed to report varying amounts between $2,000 and $15,000.

He said workers were paid by a yellow check for hourly wages and a blue check for piecemeal labor. No withholding taxes were withheld from the latter checks.

Rain Total Lags

A trace of rain on May 6 and a .02 drizzle May 7 brought the local rain total to 10.02 inches, the local meteorological station reported this week.

The total compares with 14.24 inches for the same period last year.

The current rainfall season ends June 30.

50 Years of Service to Schools

Two Grove Educators Feted At Retirement 'Roast' Banquet

When two—not one, but two—principals retire at the same time, co-workers at the Lemon Grove School District do it up brown.

Brown, like in a roasting.

A roasting is what Wiley Cornelius and Hal Brogan got Saturday night at a gridiron banquet attended by more than 200 friends and co-workers at the Hilton Inn.

Both are retiring at the end of the school year. Cornelius, principal at Mt. Vernon school, has served the district 24 years. Brogan, principal at Palm Jr. high, has served 26 years — a total of 50 years.

The two veteran educators came out pretty good at the end as recipients of plaques and gifts. But it was the in-between part where "friend after friend" stepped to the lectern to relate "facts" about the past life of the two men which had them nervous.

A little of the material was said to be true. Very little.

Jerry Heath, school district maintenance chief, was master of ceremonies and did a masterful job.

On the serious side, School Trustee Warren Buckner presented plaques and Dr. Robert Sutton, district superintendent presented gifts from citizens of the community.

The roast was provided by Paul Reynolds, Harold Ball, Art Brown, Max Goodwin, Henry Boney, Dan Heiserman, Tom Grogan, Edgar Osborn and Peggy Ryan.

Brogan and Ryan may have missed their callings. They should be in show biz. They're funny.

The heavy work was done by a women's committee. Claire Luscher, Carol Chubb and Peggy Ryan put the program together. Laura Pantazoplus, Eleanor McCormick and Marchita Bella did the decorations, programs and publicity.

Families of the two retirees were seated with the honored guests at the head table. If they were not amazed by the revelations, it may have been only that some of the roasters didn't dig deep enough.

All agreed that it was an enjoyable retirement program.

It's Weed Chopping Season Again

The Fire Prevention Bureau of the Lemon Grove Fire Department begins its yearly weed abatement program this week. Weed covered properties in the district will be inspected for conformance with a San Diego County ordinance (No. 4466 N.S.) which states that the accumulation of weeds, rubbish and other materials on private property is a public nuisance. In addition to fire hazards refuse and weeds, says the ordinance, promote blight, create a harborage for rodents and insects and are possibly injurious to the health, safety and general welfare of the public.

Interpreting conformance to the ordinance is the duty of the local inspecting authority, in this case the Fire Prevention Bureau.

Large lots must be cleaned of weeds and rubbish within 30 feet of the property line and any structures. Smaller lots must be completely cleared.

The policy of the Bureau is to contact the owner or occupant and request abatement of the hazard. If no action is generated by the personal request, a "Notice to Destroy Weeds and Remove Rubbish" is given allowing 21 days to conform, after which the matter is taken before the fire district's board of directors.

Food Stamp Benefits Expanded

The San Diego County Department of Public Welfare has announced that, due to a recent change in federal regulations, housing subsidies from the Department of Housing and Urban Development (HUD) are no longer considered as income to food stamp recipients.

The change in regulations will affect many food stamp recipients who received housing assistance from HUD making it possible for them to receive larger food stamp benefits.

Some families who did not qualify for food stamps before because of the subsidy may now be eligible.

Information about the food stamp program is available at the local office of the Department of Public Welfare.

Those persons who are receiving the HUD housing assistance should contact the Welfare Department to discuss any change.

LM Renews Interest in VLM Tracts

The struggle for incorporation of Vista La Mesa and adjoining tracts of land north of Highway 94 continued this week.

La Mesa City Council renewed its interest in the Vista La Mesa area Tuesday night by voting to draft another written request to the Board of Supervisors and LAFCO to add all of the area north of Highway 94 to La Mesa's annexing plans.

Supervisors agreed to include the property in Lemon Grove's proposed city boundaries at a hearing last month. LAFCO, the body which makes final recommendations regarding the formation of local agencies, will hold its hearing on the revision June 7.

La Mesa also moved to amend its protest against Lemon Grove's northern boundary by removing the apparently uncontroversial areas of Rolando, American Homes and Spring Valley Highlands from the dispute.

Meanwhile, an organized effort to express written sentiment to LAFCO and the county in favor of La Mesa annexation and against Lemon Grove incorporation continues in Vista La Mesa and surrounding property north of the freeway.

F. J. Schnaubelt, spokesman for the group, said that they are receiving 30 to 40 calls daily from VLM residents who do not want to be included in Lemon Grove City.

LAFCO's Mike Gotch confirmed that more letters against VLM ties to Lemon Grove are arriving daily and guessed that they now number more than 100.

Schnaubelt said that his group is confident that nearly 90 per cent of the voters in the disputed area favor La Mesa over Lemon Grove. He did not know how many voters live in the area, but said his group would soon get that information from the Registrar of Voters.

Gas Explosion Damages Grove Church Building

The Monterey Heights Baptist church, 7830 Carlisle dr., in Lemon Grove, was damaged early Tuesday by a blast that injured one person and caused $8,000 damage to the church's educational building.

Lemon Grove Fire Chief Robert Adams said the blast occurred at 5:46 a.m. and apparently was caused when a man attempted to light a heater from which gas was escaping.

The man, Mike Johnson, 22, was found wandering about two blocks away.

Johnson, who is said to have relatives at an address given as 8131 Solana st. in nearby Lomita Village, was taken to University hospital where he was treated for 2nd degree burns over 30 per cent of his body.

Adams said that the heater appeared to have been tampered with and gas was escaping at full pressure. When someone attempted to light it the explosion resulted. The blast knocked doors off hinges and burned papers and curtains, but did not set the structure afire.

Some of Johnson's papers were found in the educational building, Adams said.

Church staff members indicated that Johnson was known, but not a member of the church and had been permitted to come and go as he pleased.

He had a similar arrangement with the nearby Skyline Wesleyan church, it was said.

Johnson was given access to the piano in both churches but he was not listed as the church pianist.

Roofing Equipment Worth $725 Stolen

Roofing contractor William B. Fetty, who uses a partially fenced-open lot at 3510 Buena Vista, Lemon Grove for a storage yard, told sheriff's deputies that someone had removed $728 worth of equipment and material during the period April 26-28.

Listed among the items missing are 2 wheel-barrows, 4 ladders, 10 rolls of roofing, and a rope-pulley device.

Thurs. 'Faire' To Introduce Local Services

Lemon Grove will have an opportunity to become familiar with 25 community service organizations Thursday, May 20 when the Lemon Grove Jr. High PTA holds a "Community Services Faire" at the school from 5 to 8 p.m.

Besides exhibits from the Lemon Grove Library, Fire Department and Sheriff's substation, there will be presentations by county departments of agriculture, weights and measures and public health. There will be demonstrations of cardio-pulmonary resuscitation, and a display on earthquake safety. The County Department of Education's Mobile Career Van will be parked on the school lot. Alongside will be the county Humane Society's display vehicle.

The Department of Animal Regulation will conduct a drawing for two puppies.

A slide presentation on the East County Performing Arts Center, under construction in El Cajon, is set for 7 p.m.

School clubs will sell refreshments.

Priesthood Hopefuls Subject Of SD Deanery Council Talk

Religious vocations will be the subject of a talk given by the Rev. Neal Dolan at the San Diego Deanery Council of Catholic Women's meeting Monday at Holy Trinity Parish, 405 Ballard, in El Cajon. Fr. Dolan's talk will emphasize the importance of encouraging young men who might be interested in joining the priesthood, but need the financial assistance offered through the Deanery's Pre-Seminary Fund.

The fund offers assistance to young men in their education at minor seminary. More than $11,000 has been awarded students of the ministry since the fund was established ten years ago.

The lunch hour meeting is hosted by the women of Holy Trinity Parish and is presided over by the president, Mrs. Michael Liuzzi. Reservations are accepted at 295-6254.

Housing Picture Brighter

New housing starts increased in the state in March from 165,000 in February to 174,000. The monthly total was up 85 per cent from the 94,000 in March 1975.

Single family units account for about two-thirds of starts, bank economists said. They reported starts were up 103 per cent during the first three months of the year.

Area Funeral Services

Lucius Lawton

Services were held Friday at Church of Jesus Christ of Latter-Day Saints, South Stake, Spring Valley for Lucius D. Lawton, 72, former assistant chief for the Spring Valley Fire Protection District.

Lawton, who lived in El Cajon, was a member of the Spring Valley Lions Club, Spring Valley Kiwanis and Spring Valley Chamber of Commerce. He was born in Rhode Island and had lived in the area 36 years.

He served the Spring Valley Fire Department for 19 years and was one of the original firemen of that department.

Interment in Alpine Cemetery followed services. Conrad Lemon Grove Mortuary handled arrangements.

Surviving are his wife, Vivian; two daughters, Mrs. Helen Hastings and Mrs. Joanne Stager; two sons, Howard and Charles, all of Spring Valley; two sisters; a brother and two grandchildren.

Olive Caraveau

Funeral services were held Thursday, May 6 at Skyline Wesleyan Church for Mrs. Olive Caraveau, 73, of 6634 MacArthur dr., Lemon Grove. She died Monday in a hospital.

Mrs. Caraveau was a homemaker, a county resident 33 years and a native of Missouri. She was a member of Skyline Church.

Surviving are her husband, Loren E.; a daughter, Mrs. Norma Phillips of Lemon Grove; a son; her mother, Mrs. Edith Henrie of Lemon Grove; seven grandchildren and three great-grandchildren. The family suggests donations to the church memorial fund.

Leland Jamison

Memorial services were held for Leland F. Jamison, 69, of 7519 Roosevelt st., in Lemon Grove.

He was a retired carpenter-cabinetmaker who died Monday at Grossmont hospital of cancer. He had been a county resident for 40 years.

Services were held Wednesday at St. Philip's Episcopal church in Lemon Grove. Telophase Society handled the arrangements.

He is survived by his wife, Vera; a son Richard, of Lemon Grove; a daughter, four grandchildren and two great-grandchildren.

Contributions should be made to the Cancer Society or to St. Philip's Church.

Martin Knight

Services were held Monday at Skyline Wesleyan Church for Martin H. Knight, 88, a retired self-employed painter, who died Thursday in a convalescent hospital.

Knight, who lived at 7876 Lester ave., Lemon Grove, had been a county resident 30 years. He was born in Oregon.

Cremation was planned with ashes scattered at sea.

He is survived by a son, Harold of San Diego.

High School Students Win S&L Scholarships

Lisa Gillmore, a Monte Vista student and Stanley Thomas Mount, of Mt. Miguel, are local winners in the 19th annual California Savings and Loan League's Outstanding Students' contest.

Awards will be made May 19 at a banquet at the Bahia Hotel at Mission Bay.

Gillmore and Mount are among 46 high school seniors to shart $4,600 equally. Each winner will receive a $100 scholarship from one of 11 SD S&L Clearing Assn. members.

The Monte Vista winner is the daughter of Mr. and Mrs. Earl M. Gillmore. She is a straight-A student, active in journalism, modern dance and tennis.

The Mt. Miguel winner is the son of Mr. and Mrs. Joseph S. Mount. He maintains a 3.8 grade point average and is active in the Key Club, varsity wrestling and the Calif. Scholarship Federation.

Historic folksongs will be offered by noted entertainer Sam Hinton.

Helix Wins Third Place In Journalism Contest

Scoring in two of the four on-the-spot writing categories, Helix High School's newspaper staff — FLING — placed third in the S. Cal Journalism Education Assn.'s contest at Montebello.

Helix led all S.D. County schools in points scored.

482 finalists from 171 schools throughout S. California were in the competition.

Leading the Helix scoring was Mary Wing, 2nd place, newswriting. Denise Iverson was 10th. Billie McSwain was 8th in feature writing. Other Helix finalists were David Wallace, Lori Denton and Marty Sturgeon.

Kennedy High School, L.A. was contest winner.

New Programs for SD's Museum of Man

The California Tower will resound with more than Sunday bells when the Museum of Man begins an expansive and diverse Summer Music Festival, with dancers, singers, demonstrations and films.

The Festival opens on Sunday, with Malaysian dances at 12:30 p.m. At 1:30, the Hale Aloha Dancers will perform dances from Hawaii and Tahiti. At 2:30 p.m. a demonstration of flute-making, during which visitors will be able to construct their own flutes. Bamboo will be provided. The last event of the day will be "Experimental Music Made With Junk," a demonstration and workshop.

The Festival will show films for five consecutive Sundays. They are:

Music In America — American music from jazz to opera, with Marian Anderson, George Gershwin, Benny Goodman, and others.

May 23: Discovering American Indian Music — customs, costumes and dances of eleven American Indian tribes.

May 30: Discovering Jazz — evolution of jazz through dixieland, swing, bop, improvisation and electronic amplification.

June 6. Discovering Music of Africa — dance, rhythms, and techniques of playing rattles, bells and drums.

June 13: Discovering Music of Japan — featured Japan's major instruments, the koto, shamisen and the shakahachi are played and their current use explained.

All activities are free with admission to the Museum.

Group Gives $4,200 To Cystic Fibrosis

The San Diego Chapter of the Cystic Fibrosis Foundation received $4200 from the San Diego and La Jolla Almnae Assns. of Kappa Kappa Gamma.

The funds will go to the Kappa equipment and supply fund at University hospital to help finance day-to-day needs of the C/F Center.

The funds were presented to Winnie Burke, executive director of the C/F's S.D. chapter.

The money was raised by a benefit fashion show sponsored by Kappa Kappa Gamma in the Coast Guard Hangar in March. Mrs. Wayne Lockwood was fashion show chairman.

The award today is the fifth in as many years by the local Kappa Chapter and brings to $15,000 the amount raised by the Chapter during that period.

Yoshioka Cited By Science Peers

Vernon T. Yoshioka, an aerospace engineer at Teledyne Ryan, has been cited for his "outstanding contribution to the San Diego community" by the American Institute of Aeronautics and Astronautics.

Yoshioka is a Republican candidate for the Assembly in the 77th District — the District vacated by Bob Wilson.

The award ceremony was at a banquet at the Atlantis restaurant at Mission Bay.

A technical specialist with Ryan — the highest level of engineering in his field—Yoshioka carries a Bachelor of Science Degree from the Massachusetts Institute of Technology.

He is a fourth generation Californian and has been with Ryan since 1960.

Among his accomplishments include the founding of the Union of Pan Asian Communities; a 3-term president of the Japanese-American Citizen's League; an appointee to the Calif. State Advisory Committee of U.S. Commission on Civil Rights; director of United Way; a member of the Citizen's Advisory Committee to S.D. City College.

Also: Member and past chairman of Employee Equal Employment Opportunity Council of Ryan; member of Ryan's Affirmative Action Committee; cited by the S.D. County Human Relations Commission and the Union of Pan American Communities.

Lt. Gov. Dymally Is Travel Aid Soc. Luncheon Speaker

The Travelers Aid Society of San Diego has set Monday as its annual meeting date, according to Dr. Jay Fair, assistant executive director of the United Way funded agency.

The event is held at the Torrey Pines Inn in La Jolla and will feature Lt. Governor Mervyn Dymally as the principal speaker at a luncheon.

The event is planned from 10 a.m. to 3 p.m.

William Simon Guest Of San Diego CoC

Secy. of the Treasury William E. Simon will speak at a luncheon co-sponsored by the San Diego Chamber of Commerce and the University Club on Friday, May 21 in the Caribbean Room of the El Cortez Hotel.

Simon's appearance will highlight World Trade Week in San Diego, a salute to international commerce, May 16 to 22.

Simon will discuss current national and international financial problems as well as his views on the U. S. economy.

Preceding the Simon luncheon, a seminar on financing exports — including discussion of foreign credit insurance and contract guarantees — will be held from 9 to 11:30 a.m. in the Cotillion Room of the El Cortez.

How to Register a Complaint About a Nursing Home

This is the second of a five-part series of articles explaining how families, friends and the community can help protect the interests and welfare of nursing home patients. The material is based on information Pamphlet No. 7, "Understanding the New California Nursing Home Act," published by the office of State Attorney General Evelle J. Younger.

When any person encounters a situation in which an individual patient in a nursing home is not receiving required services, or when the physical condition of a facility threatens the health and safety of residents, certain steps should be taken, according to State Attorney General Evelle J. Younger.

Step one — Discuss the complaint with the administrator of the facility. If immediate corrective action is not taken and the condition persists or is constantly repeated, then other steps must be taken.

Step two — If satisfactory corrective action is not taken by the nursing home administrator write the Department of Health Facilities Licensing Office nearest you requesting an inspection and give the following information: name of facility, date of the incident, description of the situation, persons involved, including patients and staff.

Step three — If a citation is issued for violation and the condition still persists beyond the deadline for correction, and if the California Department of Health has not taken appropriate enforcement action, contact the State Attorney General's Office, Public Inquiry Unit, 555 Capitol Mall, Suite 290, Sacramento 95814, and name the facility, list the date of the citation and the deadline for correction.

Other actions can be taken, including contacting the social worker at the county welfare department, if the patient is covered by Medi-Cal; or contacting the nursing home ombudsman, State Office of Aging, 455 Capital Mall, Suite 500, Sacramento, California 95814, or other community advocacy organization.

Persons wishing to file a complaint, to see inspection reports for individual facilities or to examine the annual report listing all nursing homes which have received citations, should contact the local California Department of Health Facilities Licensing Section Office, 1350 Front st., Room 2062, San Diego, 92101, phone 236-7381.

Next: Explanation of the three types of violations.

Speakers for Blind, Deaf Friday at Grove Meeting

Speakers from both the Sensorial Trail for the Blind at Cabrillo National Monument and the Paul De La Cruz Memorial Foundation for the Deaf will speak to members and guests at the Lemon Grove Woman's Club Friday at its 1:30 p.m. meeting.

Hostesses at the meeting are Mmes. James Matthews and Philip Kuhl.

Anyone interested in the talks is welcomed to the 2810 Main st. club house.

The club recently announced receiving ten awards from the Southern District 26 of the California Federation of Women's Clubs and one from the state body at its convention this year.

The state award was in the youth citation category. Six district first awards were for veterans' services, family living and youth, beautification, publicity, consumer concern and California history and landmarks. District second place awards were in gerontology, community improvement, music, membership and federation.

Booklet Ready on Proposition 15

The League of Women Voters of Grossmont-Cajon Valley is distributing an 8-page publication of the California League; "Nuclear Power: Hope for the Future — or Awesome Risk". This booklet discusses the major issues raised by proponents and opponents of nuclear power as an energy source, and contains an insert on the Nuclear Plants Initiative which will be on the June ballot as Proposition 15. Among the topics discussed are plant siting, safety and reliability and waste disposal.

Cost of the booklet is 45 cents.

Also on Saturday will be an inflation-beating breakfast special 8-10 a.m. — coffee 5 cents; pancakes a dime.

The Arts and Crafts Fair will be strung out throughout Old Town. Some of the exhibits will be on San Diego ave. between Twiggs and Mason sts.; down Mason st. and at the Pink Plaza.

Famed Western actor, Iron Eyes Cody, veteran of 200 movies, will stroll Old Town streets Friday. He and Tim McCoy were once paired in a TV show that ran for five years in Los Angeles.

During the fiesta's four days, groups of mariachis, folklorico dancers and early American music will provide free entertainment.

Permanent art galleries, shops, stores, restaurants and museums will be fully operative all day each of the four days.

Old Town is for the public and admission is free.

This Week's RECIPE

Spit Roasted Beef

The popularity of roasting beef on a spit over a bed of hot coals has been in vogue since the beginning of the beef industry in California. Originally a limb from a tree was used and the rotating done by hand. Nowadays every conceivable type of accessory is available for indoor and outdoor spit or rotisserie cooking. Turning the meat as it cooks allows the natural juices and marinade to baste the beef and keep it moist and flavorful.

SPIT ROASTED BEEF TARRAGON

1 (5-pound) beef cross rib roast
Garlic (optional)
1/3 cup white wine
1 tsp. tarragon
1 tsp. salt
1 tbsp. melted butter

Tie roast securely. If using garlic, cut small deep slits in beef and insert garlic slivers. Balance beef on spit. Insert meat thermometer in center. Roast according to manufacturer's directions in oven or rotisserie or over hot charcoal fire to desired degree of doneness. Baste every fifteen minutes with wine mixed with tarragon, salt and butter. Cook to 130° internal temperature for rare, 140° for medium rare and 160° for well done. Remove from heat. Let stand 20 minutes before carving, Beef will continue cooking. Allow about 1 3/4 hours for 5-pound rolled roast to cook to rare.

For oriental baste, combine 1/4 cup each soy sauce and sherry with 1 tablespoon oil.

Free Cook Book for Peanut Gallery

Not long ago this newspaper featured a recipe taken from "An All-American Nut's Recipe Book" published by promoters of the peanut.

Free copies of the booklet, featuring some exotic uses of the "all-American," are available by sending a self-addressed, stamped envelope to All American Nut Co., Inc., 16901 Valley View, Cerritos, CA 90701.

The 16-page booklet offers 33 hors d'oeuvre, vegetable, salad, main dish and dessert recipes using the peanut. All recipes are kitchen tested.

Billie Jean King, Nets, Here For May 20 Match

Although the San Diego Friars will not play at home until facing Billie Jean King and the New York Nets on May 20, the team won't be completely out of sight.

The Friars are at the Anaheim Convention Center Saturday to play Los Angeles and return there Sunday to meet Hawaii.

Saturday's match will be shown locally on XETV (Channel 6) from 8-10 p.m.

San Diego then journeys to Hawaii for a pair of games there against the Leis before returning home. The road trip, which started last week, covers seven matches.

"We want to win as many matches as possible but realistically we would hope for a 4-3 edge," said player-coach Cliff Drysdale.

The Anaheim court won't be exactly foreign to the Friars. The team played Golden Gate there earlier in the season.

When Billie Jean King visits on May 20, she will be bringing essentially the same New York team that challenged Pittsburgh for the eastern division title last year. Teammates include Virginia Wade, Sandy Mayer and Fred Stolle.

It also will be Autograph Nite that evening with the first 3,000 fans attending receiving Friar player photos and the players will be available for autographs before the match.

Breakers Face Navy Aboard Constellation

The Breakers are tossing a party Monday for Connie.

The San Diego Breakers are giving a Welcome Home party for the personnel and families of the USS Constellation.

The San Diego based aircraft carrier returned recently from a 14-month stay at the shipyards in Bremerton, where she was refitted to handle the Navy's latest and most sophisticated ultra-sonic and long-range carrier operational aircraft.

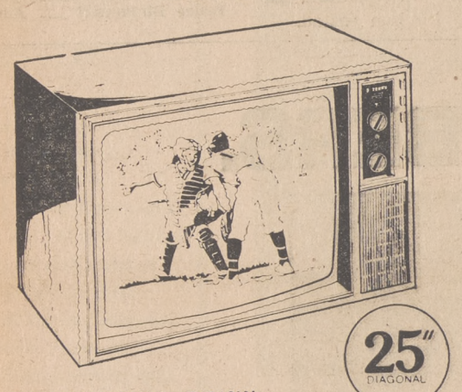

The party, in the form of a volleyball clinic, an exhibition contest between matched teams from the Breaker's roster and a second contest between the Breakers and Lt. John Heltsley's Sick Bay Spikers representing the 3,000 men aboard Constellation will commence at 2 p.m. on the cavernous hangar deck of the 84,000 ton carrier.

TAKE FIVE

By John E. Wirges

The thought came to mind last Sunday. You remember last Sunday? It was Mother's Day. That one day set aside each year to honor those who rocked the cradle of those who now lead the nation.

That is, of course, if those who lead the nation ever had mothers.

The question bringing us puzzlement was simple enough. What did W. C. Fields think of Mother's Day?

His views on dogs, children, Philadelphia, booze and bartenders are well known, to be sure. But what of mothers? Or, more to the point, what of this silly celebration set aside to honor them?

The reason for the ponderment will be upon us next Monday evening (May 17). The character of W. C. has been pilfered into a skit in which he stars as the head coach of a women's football team.

This plot is one of the many rib-ticklers being herded together for public consumption in what passes for entertainment when the sportswriters and sportscasters of our fair town get together for their annual "Golden Jock" awards dinner.

This year's mirth and merryment is on tap Monday next at the Town and Country beginning at 6:30 when the bar will open.

Which brings us back to W. C. To develop his character, one must get in the proper spirit. What better day than Mother's Day to test his brand of humor.

My wife, dear lady that she is, had been hinting for the last few weeks she would appreciate some device with which to do the laundry. Our old hand crank machine went out on the blink. I took great pains and searched all over town for her present. And it wasn't easy. Scrub boards are hard to find.

I gift-wrapped a large bar of yellow soap along with her laundry device and presented her with both early in the morning in order that she might enjoy her fortune throughout the day.

Then telling her what time I expected dinner on the table, I hustled off to play golf and ponder how Bill Fields felt about such a holiday.

Constant readers of this corner will remember that my wife and I have been fruitful in our parenthood. We have six kids. Three boys and three of the other kind.

Most return home for holidays, celebrations, birthdays, or when ever they get hungry. So it came to pass that a bunch of offspring were home to "honor" their Mother last Sunday and I took two of the boys with me to play golf.

That allowed the girls to stay home and help their mother in the preparation of dinner, which is, of course, a fitting task for girls on Mother's Day.

We were delayed off the first tee by a couple of idiots playing golf with their wives. At least I think they were married. They yelled like it.

Women on a golf course. What a waste of time. Why women insist on playing a man's game and taking up valuable space on a golf course or in a bowling alley is something I'll never understand.

And as for women bartenders? I consider them un-American, inept and guilty of civil sacrilege.

Unfortunately, the two broads playing in front of us were lucky as hell and I wasn't able to convince my two boys the wisdom of my philosophy.

"Gee, Dad," said Tom, the 10-year-old, "that lady in green is playing real good."

"Yeah Dad," interrupted Mike, the 20-year-old, "both those ladies are hitting the ball right down the middle and their husbands are all over the place."

"Shut-up," I instructed. "It's the principle of the thing. Women just don't belong on a man's golf course." Sometimes I think those boys are never going to learn how to think like a man.

Well, the day passed like that. Both boys lucked out and beat me, but that's only because they wouldn't let me keep score. Dinner was late. In honor of the day, I didn't raise too much of a fuss. I'm understanding that way.

But try as I might, I never did get the "feel" of how W. C. Fields would have handled Mother's Day. I guess we'll just have to wait till Monday to find out.

Jaws Host Thunder Friday Nite

The San Diego Jaws host the Portland Timbers Friday night at Aztec Bowl in a NASL Soccer match starting at 7:30.

San Diego Jaws coach Derek Trevis has seen the Timbers in action earlier in the season and says they will be extremely tough.

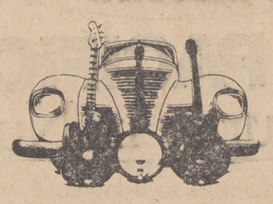

They went to the finals last years against Tampa Bay," said Trevis, referring to the NASL championship game last year won by Tampa Bay, 2-0.

"They have experience, good talent, and their coach, Vic Crowe, has really molded a good side (team)," the Jaws coach added.

Padres to Return for 13 Games in 15 Days

The only homestand for the month of May is fast approaching for the San Diego Padres as the club completes its longest road swing of the season in the next few days with stops in Chicago and San Francisco.

San Diego, which embarked on the trip back on May 3 with 13 games scheduled into a 15-day period, will be putting the finishing touches on the journey with three single games in Chicago May 14-15-16 and then a pair against the Giants in San Francisco on May 17-18.

From the Bay Area, the Padres will return to open up a 12-game series which will get underway on Wednesday with the first of two games against the Houston Astros. The clubs will meet at 7 p.m. on May 19 and then conclude the short series the following day at 1 p.m. with the second of four scheduled Business Specials set by the Padres this season.

Looking Ahead

Looking ahead to the rest of the homestand, the Padres will be engaging Western Division rivals Cincinnati (May 21-22-23), Los Angeles (May 24-25-26) and San Francisco (May 27-28-29-30).

"Now's the time of the year when things really start taking shape," third year Padre field skipped John McNamara said. "When we open up this next homestand we'll have about 33 games or so under our belt. That's about 20 per cent of the season and usually at this time of the year you begin to get an idea how things are going to do during the rest of the campaign.

"No clubs will have eliminated themselves at this point, but you can normally get a good feel as to how the other clubs are going to play and react as you get into the swing of the full season.

"If a club can be kept around the .500 mark for the first couple of months of the season, it'll be in pretty good shape the rest of the way barring any unforeseen rash of injuries or disastrous losing streaks," McNamara said. "Naturally, we have extremely high hopes of being above the .500 mark when we open up our third homestand as we are definitely shooting for a first division finish this year."

Padres Solidify Ties With Minors

With a few last minute switches taken care of, the San Diego Padres have firmed up their three minor league affiliates in Hawaii, Amarillo and Reno. Assignments to the club's Walla Walla team will not be made until following the June summer drafting session.

The Padres, who have a unique working agreement with local management, presently have 16 players on the Hawaii roster in the Pacific Coast League. Foremost on the list are pitcher Dave Freisleben, infielders Bill Almon and Mike Champion plus outfielder Gene Richards.

Richards, fans may remember, was the leading hitter in organized professional baseball last season, batting .381 at Reno of the California League. In addition, Richards was also tops in pro ball in stolen bases with a league record 85.

Pitchers form the bulk of the men at the Padres Amarillo club of the Class AA Texas League with 11 of the 22 men currently on the roster being hurlers.

Hitters abound on the Gold Sox roster as, among others, they boost catchers Lyn Hamilton (.371) and Rick Sweet (.350) plus infielder Don Alfano (.314) and outfielders Gene Delyon (.304) and Don Reynolds (.319). Numbered amongst the pitcher are Juan Eichelberger (10-4) and Galen McSpadden (10-2).

The Padres share the Reno club with the Minnesota Twins organization and presently supply 14 players including Keith Miller, the Padres number one choice in the January winter draft.

Some of the Reno players will eventually join the Walla Walla club once it begins operation in mid-June, but the bulk of the players will come directly from the summer draft.

Ticket Record Set

The San Diego Padres, for the second time in three seasons, established a club record for season ticket sales with a grand total of 4,839, almost 500 better than the previous best.

Actually, the Padres celebrated a triple record as not only was the total figure a new club high, but the breakdown marks of 3,535 mini-season tickets and 1,304 full season tickets were also high water marks.

Individually on the Action Teams, Howard Frank emerged as the top salesman with 129 points followed by Lowell Smith with 123. Rounding out the top ten figures were Jim McDaniel (92), Jack Wilson (89), Chuck Morgan (84), Bob Creelman (82), Ted Bala (81) and Grant Beals and Frank Stucky (79). Making the Honorable Mention list with 50 points or more were Wally Rees (68), Gary Gonlag (66), John Seitman (63), Bob Devine (57), Bailey Gallison (57), Julius Orlansky (51) and Jim Carroll (50).

In team competition, the Grant Beals-Lowell Smith Islanders squad took top honors with 845 points followed by the Beachboys of Gallison and Morgan with 753 and the Downtowners of Seitman and Joe Tagliarino with 599.

Teams from 18 Clubs in Boys' Club Track Meet

The Kensington Optimist Club is sponsoring the Boys' Clubs of San Diego County Bicentennial Olympic Track Meet Saturday, at the S.D. State U. track and field site, south of Peterson Gym. The four branches of the Boys' Clubs of San Diego will host the meet, with teams from the 18 Boys' Clubs in San Diego County participating.

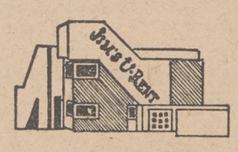

County Supervisor Jack Walsh will be grand marshal of the pre-meet parade beginning at 9:15 a.m.; field events start at 10 and track events at 10:30. The public is invited.

3-Year Olds Go in $50,000 'Cap Sat

Hollywood Derby hero Crystal Water and Santa Anita Derby king An Act will lock horns again Saturday at Hollywood Park, when they head a strong field of three-year-olds in the $50,000 El Dorado Handicap.

The El Dorado will lead off what promises to be one of the most exciting weekends of the current season, as Sunday a stellar band of grass specialists will clash in the $50,000 Lakeside Handicap.

Trainer Roger Clapp was the subject of much criticism for his decision to pass the Kentucky Derby with Crystal Water, but he has stuck to his guns and the El Dorado will mark the colt's first start since his two-length Hollywood Derby score.

LAS VEGAS — Four of hockey's greatest performers, including 1976 All-Star defensemen Brad Park of the Boston Bruins and Denis (cq) Potvin of the New York Islanders, will compete in the sixth annual Dewar's Sports Celebrity Tennis Championship, it was announced by tournament chairman Iz Becker.

The round-robin, doubles event, featuring stars from other sports besides tennis, will be played June 7-10 at the Hotel Riviera courts.

Joining Park and Potvin will be center Phil Esposito and forward Rod Gilbert of the New York Rangers, both strong candidates for hockey's Hall of Fame.

Esposito, formerly with the Boston Bruins, holds the record for most goals in one season, 76, and most points scored, 152.

Joining the four icemen will be All-Pro linebackers Andy Russell of the Super Bowl champion Pittsburgh Steelers and Lee Roy Jordan of the runner-up Dallas Cowboys; wide receiver Fred Biletnikoff of the Oakland Raiders, who has caught more passes than anyone in the game, and quarterbacks Fran Tarkenton, Minnesota Vikings; Roger Staubach, Cowboys; Jim Hart, St. Louis Cardinals; Ken Anderson, Cincinnati Bengals; Dan Pastorini, Houston Oilers, and Craig Morton, New York Giants.

JoAnne Carner Qualifies for $200,000 Tourney

CALABASAS PARK — Long-hitting JoAnne Carner is the first qualifier for the $205,000 Carlton, announced commissioner Ray Volpe.

The Carlton, richest tournament in the history of women's golf, will be played September 23-26 at Calabasas Park Country Club.

Mrs. Carner, after her victory in the Lady Tara Classic, has accumulated more than 1,200 points, making her eligible for the elite field of 70 players who will qualify by earning points for high finishes in tournaments.

The strawberry blonde has won three tournaments this year (Orange Blossom Classic and the New Zealand Open) to raise her total to 11 in less than three years.

Carner moved up to No. 12 on the LPGA all-time money list with $226,681.

She could increase that substantially by winning the Carlton. First prize is a whopping record $35,000, plus a percentage of the gate receipts.

Beneficiary of the Carlton is the National Multiple Sclerosis Society.

College Golfers Compete Today in Pomona National

WALNUT — USC golfers haven't been exactly the perfect hosts in the 54-hole Trojan Invitational at Pomona National Golf Club.

They started graciously enough, permitting Cal State Long Beach to win the inaugural event.

Since then, however, they have won four straight and will be gunning for five in a row today and Friday.

Fourteen other colleges and universities from Santa Barbara to San Diego will try to prevent this, including UC Santa Barbara, Cal State Long Beach, U. S. International, San Diego State, UCLA, Cal State Los Angeles, Cal State Northridge, UC Irvine, Loyola, Cal State Fullerton, Redlands, UC Riverside, Claremont-Mudd and Pomona-Pitzer.

The collegians, who use the Trojan for determining team positions for NCAA Championships next month, will play 36 holes today and another tomorrow.

From San Diego, favored for individual crowns, are Scott Simpson, USC; Gary Backlund and Terry Roberts USIU, and Curt Worley and Lennie Clements, SD State U.

Richest Golf Mixed Match Offers $200,000 in Prizes

NEW YORK — The richest event in golf involving men and women contestants — the $200,000 Mixed Doubles Championship — will be held Dec. 17-19 at the Doral Country Club in Miami, announced LPGA commissioner Ray Volpe.

Women pros will invite men to be their partners in this unique 54-hole alternate-shot competition. Both partners hit tee shots, select the better drive and then alternate in hitting shots until holed out.

The tournament will be sponsored by the Hotel And Restaurant Employees And Bartenders International Union.

Edward T. Hanley, president of the union which has 500,000 members, half of them women, said, "We're sponsoring this great tournament in recognition of the Year of The Women and their major contributions to the labor movement."

1st Prize $40,000

First prize will be $40,000, which the partners split.

A two-day pro-am on Wednesday and Thursday, Dec. 15-16, will precede the championship.

This will be the first major tournament in which men and women have played as partners since the 1966 Haig & Haig Scotch Championship at La Costa," said Volpe.

"At that time, the quality in women's golf was there but not the quantity. Now we have both. The timing is just right because women golfers can hold their own using the women's championship tees.

"I'm pleased and gratified at this considerable increase in LPGA purses for 1976," continued Volpe. "We have comfortably passed the $2,500,000 mark and are now zeroing in on the $3,000,000 target."

'Toughest' Motocross In Carlsbad June 20

American teams are currently gearing up for America's most important moto cross race, the Hang Ten United States Moto Cross Grand Prix, set for June 20 at Carlsbad Raceway. The event is the only U. S. race in the "tougtest of all" World 500cc Championship series.

Eager for a win in this bicentennial year is two-time American Champion in the 500cc bracket, Jim Weinert who says, "Americans get closer and closer to the win every year. I'm hoping to be the first one to get it, especially in this of all years!"

Weinert switched from Yamaha to Kawasaki's factory team this year (an exact reversal of the switch he made in 1974!) but has since proven to be on razor-edge form. He recently won a 250cc National Championship race ("I'd like to be champ in both 250cc and 500cc classes, this year," he says) and leads the American Supercross Series, for 'artificial course' events in stadiums like the LA Coliseum and Houston Astrodome.

Bob Hannah, Too

Weinert's place at Yamaha was taken by a surprise nomination: rookie National Championship rider, Bob Hannah, from Whittier. The young Hannah has since proved the wisdom of the farsighted Yamaha team selectors by winning the 250cc category of the Florida Winter-AMA Series and a 125cc National Championship recently at Hangtown in Northern California! The Hang Ten GP will see his World Championship debut and he is quite capable of springing an almighty surprise on the International stars.

14 Wrestlers to Squirm For $5,000 Purse Tuesday

The San Diego Coliseum's annual wrestling Battle Royal is set for Tuesday starting at 7:30 p.m. with 14 of the "most ferocious battlers in mat history."

14 Wrestlers will enter the ring at once. The last one out is the winner. What they do between the beginning and end is often described as mayhem.

There are McGuire brothers —Billy and Ben: the two heaviest wrestlers in the world. Together, they tip the scales at 1,300 pounds.

The Hollywood Blondes return for the affair. Money draws them. It should. The purse is $5,000, according to Danny Millsap, the promoter.

Others are Roddy Piper, Butcher Vachon; a father-son team: Gory and Chavo Guerrero. Chavo is American heavyweight champion.

Also: Crusher Verdu, Fabulous Frank, Tony Rocco, Dennis Stamp, Java Ruuk, and Porkchop.

All seats are $5. Seniors and children are half price.

The Coliseum is at 15 and E sts., San Diego.

Playoff Eyed By Bobby Sox Minor Teams

Tonight, at 5:30, at the Lemon Grove Junior High school field, the L.G. Bobby Sox Minor League Ringers will face the Cherubs, with first place standings in balance.

If the Cherubs win the game, both teams will meet again on Saturday for the playoff to determine the winner of the first half of the season.

The Ringers are managed by Dale Marchand and coached by Carol Roughton, sponsored by Cash Register Exchange of Lemon Grove.

Managing the Cherubs, sponsored by Catholic Daughters No. 1580, is Janice Johnson, with coaches Donna Cruz and Gene Crise.

Studies Show Bicycles Safe; Not so Bikers

For several years the U.S. Consumer Product Safety Commission has rated bicycles as the most hazardous product among the top 100, outranking stairs, lawnmowers, football and baseball equipment and playground equipment, in that order. A national effort by law-enforcement officers, legislature, safety experts and manufacurers is underway to remove bicycles from the top of the list.

With 100 million men, women and children riding bikes, the U.S. Environmental Protection Agency estimates that there are one million bike injuries requiring treatment every year. The authorities report that fatalities have reached 500 to 1,000 annually, with serious injuries, mainly to children and women, befalling more than 50,000.

A study by the Department of Safety and Research of the Combined Insurance Company of America found that deaths of cyclists have been rising faster than those among occupants of automobiles. In the decade for 1961 to 1971 bicycle deaths were up 70 per cent while the figure for motor vehicles had increased 44 per cent.

At the same time 71 per cent of fatal bicycle accidents involved collisions with motor vehicles, usually the fault of the cyclists, the study found. The American Automobile Association adds that two out of three mishaps resulted from infractions of laws or rules of the road, while 25 per cent of bikes involved in accidents surveyed were mechanically defective.

Law enforcement officers are leading the way in trying to educate the public about laws governing cycling, traffic signs and common cycling courtesy. The Combined Insurance Company is making available to the International Association of Chiefs of Police a brochure outling the fundamentals of safe operation and maintenance of bicycles and interpretations of traffic signs and signals. The police in turn will use the brochure in their educational campaign.

Gas/Electric Stockholders Earn Record Dividends

San Diego Gas & Electric Company had the best financial first quarter in its history the first three months of 1976, Robert E. Morris, company president, said.

Addressing the annual meeting of shareholders, April 27, Morris said first quarter earnings were 87 cents per share of common stock on 17 million shares outstanding, an increase of 64 cents per share over the depressed first quarter of 1975.

Morris said 1975 was a disappointing year, with earnings of only 97 cents per share, compared with $2.09 per share in 1974. The poor 1975 showing resulted largely from the Public Utilities Commission's suspension of fuel cost adjustments for the first half of the year, he said.

"The commission, in effect, flowed the fuel cost savings from 1974 through to ratepayers," Morris said. "The high, unrecovered fuel cost in 1975 imposed a heavy penalty on 1975 earnings."

The PUC reactivated the fuel clause at mid-year and permitted the company to begin recovering higher fuel costs, but Morris said there was no way of overcoming the unsatisfactory results of the first half of the year.

Rate relief in the second half and favorable conditions for less expensive purchased power and more natural gas for power plants led to a turnaround in the fourth quarter, he added. Earnings for that quarter were 57 cents per share.

Dinners, Speeches Set for Stan Boney

Stan Boney, candidate for supervisor in the 2nd district listed these meetings in support of his campaign:

Thursday, 7:30 p.m. Jamul Community club at the Jamul-Las Flores school on Lyons Valley rd.

Friday, 7:30 p.m.—Coffee reception in the home of Wiley F. Cornelius in La Mesa.

Monday, May 17, 7:30 p.m. —North Park Republicans.

Thursday, May 20, 10 a.m. —East County Republican Women's Club at Carlton Oaks Country club.

Two fund-raising dinners have been set for the candidate. On Saturday, May 15, a $25-a-person buffet dinner is scheduled at the home of his parents, Mr. and Mrs. Henry Boney, at 9538 Starlight lane, La Mesa 5-9 p.m.

That affair was sold out early so a second section has been scheduled for Saturday, May 29.

Last night, a large crowd attended a $50-a-person dinner at the Springfield Wagon Works.

$90,000 Skimmed For Anti-15 Fund

San Diego Gas & Electric Company has announced spending a total of $90,176 opposing Proposition 15, the initiative which would limit the use of nuclear power plants in the name of safety.

Robert E. Morris, company president, said following the announcement that proponents of Prop. 15 are expected to attack the company for its expenditures.

"They would have the public believe that there is something wrong or immoral about a company participating in a campaign even though the outcome will affect all of the company's customers," Morris said.

The utility cites a U. S. Energy Research and Development Administration estimate that the increased cost in fuel alone would be $40 billion, or $7500 for every family of four over the next 20 years, given the limitations imposed by the election item. That would average $375 extra fuel dollars a year.

The amount spent fighting the proposition is dwarfed by the $209 million Morris said SDG&E has invested thus far in nuclear energy.

S.D. Boat Owners Tax Bills Sent

Owners of almost 6,000 county boats registered with the state of California are getting their 1976 tax bills.

Personal property taxes are billed to the persons who owned the boats on March 1. Due dates are printed on each bill, Jones said.

His office collects taxes for boats registered with the state. Larger vessels which travel in foreign waters are documented with federal agencies.

Boat owners who do not receive their tax bills by the middle of May should request them by calling 236-3161.

TV Auction Aims At LG Merchants

Bob Mastny, former chairman of Lemon Grove's Old Time Days, has been named area coordinator of KPBS "Open Sesame" Auction which will be held June 6-12 over TV ch. 15.

Mastny will lead a group of volunteers who will call on merchants in the Lemon Grove area and ask them to donate such things as merchandise, clothing, services, trips, dinners, antiques and toys that can be sold in order to raise funds for San Diego's public broadcasting complex, KPBS, Channel 15, and KPBS-FM (89.5).

This year's Auction goal is $150,000. The money raised will be used for support of the non-commercial station. KPBS also receives funding from state and federal funds, private grants and underwriting.

Candidates Meet

All candidates for the Assembly in the 77th District will appear at a public forum in the old gymnasium at Grossmont High School on May 20 at 7:30 p.m.

The forum is sponsored by the League of Women Voters of Grossmont-Cajon Valley.

Car and Gasoline To be Rejected By 77th Candidate

Tim Cohelan, Democratic candidate in the June 8 primary for the 77th Assembly District, announced that, if elected, he would not accept the State owned automobile and gasoline credit card provided for legislators at taxpayer expense.

Cohelan stated that, "In light of the fact that most experts agree that known domestic petroleum reserves will be depleted in approximately 25 to 30 years, I believe that acceptance of the car and gas does nothing to encourage all Californians to conserve energy and seek alternate sources of energy."

"To avert a possible crisis, it will be necessary to both reduce the present level of energy consumption and to develop new sources of energy."

"Obviously, only the Federal government has ample resources for the development of nuclear fusion as a safe alternative to petroleum."

"The development of solar and geothermal energy sources are particularly suited for the State of California. To the extent that it is financially feasible and possible to do so, our State Legislature must support efforts to develop these sources of energy."

A Look at Past Issues

Back Pages

A look at the pages of this newspaper twenty years ago reveals some of the interesting contrasts between then and now. This column highlights some of the items that appeared in this newspaper at this time two decades ago.

By Bruce Binkowski

A $200 across-the-board salary increase for teachers was requested on Monday, May 14, 1956. The request was made by more than 100 teachers at the regular meeting of the Lemon Grove school board. The five-member board listened to the request by teachers' representative William Firtch. Firtch pointed out that with the $200 increase, the $3900 starting salary for classroom instructors would still be below the average for the county.

The Lemon Grove Swimming Pool Carnival held on the St. John of the Cross school grounds attracted more than 25,000 adults and children and produced nearly $5,000 for the swimming pool fund. The effort's profits went into a fund to build a swimming pool for Lemon Grove.

Wristwatches Taken

Karen Cecilia Lee of 7127 London ln., Lemon Grove, told sheriff's deputies that her $100 Seiko wristwatch was missing from her purse on May 4 after a teenager had come to her residence to borrow some writing paper.

She gave police the name of the suspect.

The Casa de Oro Nursery and Feed Store opened for business at the corner of Campo road and Barcelona. The first owners were J. P. Jones and wife Gertrude.

The Helix marching band won the 1956 National City Maytime Band Review. Their first place award with excellent musicianship was based on a level with that of professionals, so stated the judges. Dan Lewis directed the Helix band, assistant was Larry Christianson. Karen Dawson was the drum majorette. Just last week, in the 29th edition of the Maytime band review, Helix High again won the sweepstakes trophy.

James Utt, a Congressman for the 28th District, representing Orange and San Diego County, had a political ad in the REVIEW/BULLETIN asking area voters to retain him in his congressional seat for a third term.

The following joke appeared in a column entitled "Throwing the Bull." It read: I won't say that the orchestra was bad, but a waiter dropped a tray full of dishes and six couples started dancing.

Dr. Burns Heads Campaign Here For Dr. Hayakawa

Dr. Robert F. Burns, prominent veterinarian and civic leader, was named Lemon Grove chairman of the Hayakawa for U. S. Senator campaign.

Dr. S. I. (Sam) Hayakawa, front-running Republican candidate, announced Dr. Burns' appointment.

"I am delighted," the former San Francisco State U. president said, "to welcome Dr. Burns to our campaign. He is an outstanding civic leader, well respected in his community, and I know he will help us achieve the victory we expect on June 8."

Dr. Robert Burns

Burns, 52, is a 29-year member of the American Veterinary Medical Assoc., and owns the Lemon Grove Veterinary Hospital. He served as president of the State Board of Examiners in Veterinary Medicine in 1968.

Dr. Burns lives on Mt. Vernon st., and is a director of the Lemon Grove Fire Protection District. He is a 20-year member of both the Kiwanis and the Knights of Columbus.

Active Campaigner

In addition to his professional and community activities, Dr. Burns was active in the gubernatorial campaign of Houston Flournoy in 1974.

"I feel very strongly about Dr. Hayakawa," Dr. Burns said. "It is time we have someone like him in Washington. The recent California Poll findings that he is the leading Republican Senate candidate, and is also rated the Republican with the best chance of defeating Democrat John Tunney in November, confirm my own convictions about his candidacy."

"I want to help elect Dr. Hayakawa because he is not a career politician and he has the intelligence and guts to take positive action."

Hayakawa campaign material is available at Dr. Burns' home, 8337 Mt. Vernon st., and his office, 7572 North ave. in Lemon Grove.

Dr. Sam Hayakawa will greet supporters Wednesday 8-9:30 p.m. at the home of Dr. Burns, 8337 Mt. Vernon st., Lemon Grove.

Those who wish to attend his visit should call 463-0301, Dr. Burns' office or 466-5579, his home.

Prothro Token Coach In Bollman Campaign

Tommy Prothro, San Diego Chargers' Head Football Coach, has been named Honorary Campaign Chairman for Mike Bollman, candidate for State Assembly in the 77th Assembly District.

"Although I have never been involved publicly in any political campaign, other than for Mike," Prothro said, "I agreed to serve as Mike's Honorary Chairman since I feel that it is especially important now that we elect people like Mike who will represent the people in his district in Sacramento and not just the special interests."

Bollman's schedule: 7:15 a.m. — Cajon Valley Exchange club, Daisey's Restaurant, El Cajon.

10:30 a.m. — Coffee. Mary Packard residence, La Mesa.

7:30 p.m. — Coffee. Addie Fitzpatrick residence, San Diego.

May 15, 7:30 p.m. — Mt. Oajon Republican Women's Club luau, Grossmont Gardens, La Mesa.

May 16, 4 p.m. — Campaign reception, residence of RAdm. and Mrs. Roger Paine, El Cajon.

May 17, 7:30 p.m. University Area Republican Women's Club at the Clairemont Recreation Center, San Diego.

May 17, 8 p.m. — North Park California Republican Assembly in San Diego.

May 19, noon — La Mesa Exchange Club, Ponderosa Restaurant, Grossmont Center.

No award will be made to a Contractor who is not licensed under Chapter 9, Division 3, Business and Professions Code, or to whom a proposal form has not been issued.

In accordance with Section 6423 of the California Labor Code, these contract documents contain, where applicable, a bid item to provide, for trenches or open excavations which are five feet or deeper, adequate sheeting, shoring, and bracing, or equivalent method, for the protection of life or limb, which shall conform to applicable safety orders.

In accordance with Section 1770 of the California Labor Code, the Board of Directors has determined the prevailing basic rate of per diem wages, inclusive of fringe benefits, a copy of which may be seen in the Office of the Clerk of the Board as Document No. 502457.

The attention of Bidders is directed to the section of the Contract Documents which outlines Affirmative Action Requirements for equal employment opportunity. At the time of submittal of the Bid, each Bidder must furnish to the District his completed and signed "Bidder's Certification." Prior to the award of any subcontract of $10,000 or over, the prime contractor must likewise obtain and furnish to the District a "Subcontractor's Certification" from each such prospective subcontractor.

In addition, attention is directed to the provision in these documents which stipulates that the District reserves the right to terminate, amend, or modify, at any time, any item or items of work as necessary to comply with State and/or Federal environmental requirements enacted after the contract has been entered into.

Bidders are cautioned that the District contemplates awarding but one contract for all items designated in the Bid Form for either Bid Alternate "A", or Bid Alternate "B", and that any proposal submitted must contain a bid for each item for either or both Bid Alternates, or it will be rejected as an insufficient proposal.

Additional requirements of the Labor Code with respect to workmen and rates are set out in the Special Provisions and are made by this reference a part of this notice.

Bidders must satisfy themselves by personal examination of the location of the proposed work and by such other means as they may prefer as to the actual conditions and requirements of the work and shall not at any time after submission of the bid or proposal dispute, complain or assert that there was any misunderstanding in regard to the nature or amount of work to be done.

All proposals or bids offered shall be on the forms of proposals and bonds as prepared by the District, and shall be accompanied by a certified or cashier's check, payable to the order of the Spring Valley Sanitation District, or a bond, as is required by law, for an amount not less than ten (10%) percent of the aggregate of the proposal.

The successful bidder, simultaneously with execution of the contract documents, will be required to furnish a Payment Bond for Public Works in an amount equal to fifty (50%) percent, and a Performance Bond in an amount equal to one hundred (100%) percent of the contract price, each secured from a surety company satisfactory to the District and on the form contained in the Contract Documents.

COUNTY OF SAN DIEGO
NOTICE TO CONTRACTORS

Sealed proposals will be received at the Office of the Board of Supervisors, Room 306, County of San Diego Administration Center, 1600 Pacific Highway, San Diego, California, 92101, until 2:00 o'clock P.M. on Thursday, May 27, 1976, at or about which time they will be publicly opened and read in the same building in the Board of Supervisors Chambers, for maintenance in accordance with the specifications therefor of portions of County Highways as follows:

SLURRY SEALING VARIOUS STREETS IN THE COUNTY OF SAN DIEGO, ROAD MAINTENANCE DIVISION I, WORK ORDER NO. 4C6068; S.U. 244

ENGINEER'S ESTIMATE

Item	Quantity	Description
1.	1.682 Tons	Slurry Seal

The foregoing quantities are approximate only, being given as a basis for the comparison of bids, and the Board of Supervisors does not, expressly or by implication, agree that the actual amount of work will correspond therewith, but reserves the right to increase or decrease the amount of any class or portion of the work, as may be deemed necessary or expedient by the said Board of Supervisors.

The Standard Specifications (Sections 1 through 9) of the Department of Transportation (formerly County Engineer Department) of the County of San Diego, dated August 1972, and Sections 10 through 95 of the Standard Specifications of the State of California, Business and Transportation Agency, Department of Transportation, dated January 1975, together constitute the Standard Specifications for this project.

In accordance with Section 1770 of the California Labor Code, the Board of Supervisors has determined the prevailing basic rate of per diem wages, inclusive of fringe benefits, a copy of which may be seen in the Office of the Clerk of the Board of Supervisors (Document No. 502457).

The attention of Bidders is directed to the section of the Contract Documents which outlines Affirmative Action Requirements for equal employment opportunity. At the time of submittal of the Bid, each Bidder must furnish to the County his completed and signed "Bidders' Certification". Prior to the award of any subcontract of $10,000 or over, the prime contractor must likewise obtain and furnish to the County a "Subcontractors' Certification" from each such prospective subcontractor.

Minority Business Enterprises will be afforded full opportunity to submit bids in response to this invitation, and will not be discriminated against on the grounds of race, color, sex or National origin, in consideration for the award.

All proposals or bids offered shall be on the forms of proposals and bonds as prepared by the County of San Diego and shall be accompanied by a certified or cashier's check, payable to the order of the County of San Diego, or a bond, as is required by law, for an amount not less than ten (10%) percent of the aggregate of the proposal. Additional Bidder's Bond Forms may be obtained at the Department of Transportation.

No award will be made to a Contractor who is not licensed under Chapter 9, Division 3, Business and Professional Code, or to whom a proposal form has not been issued.

The successful bidder, simultaneously with execution of the contract documents, will be required to furnish a Payment Bond for Public Works in an amount equal to fifty (50%) percent and a Performance Bond in an amount equal to one-hundred (100%) percent of the contract price, each secured from a surety company satisfactory to the Board of Supervisors, and on the form contained in the Contract Documents.

The Contract Documents, which includes Plans and Specifications, may be examined at the San Diego County Department of Transportation, Building 2, Room 184, 5555 Overland Avenue, San Diego, California, 92123. A copy of the Contract Documents may be obtained at said Office upon payment of $8.00 plus tax. If payment is made by check, it should be made payable to the "County of San Diego". NO REFUND WILL BE MADE.

A copy of the publication "Equipment Rental Rates" of January 1976 may be obtained at said Office upon request.

The attention of bidders is particular directed to the provisions of Sections 8-1.01 and 8-1.02 of the Standard Specifications regarding subcontracting and assignment of the contract, respectively.

The Board of Supervisors reserves the right to reject any or all bids, and the right to waive irregularities or informalities in any bonds or in the bidding.

RESOLUTION OF INTENTION TO SELL REAL PROPERTY AND NOTICE OF INVITING BIDS
No. 25

On motion of Supervisor Conde, seconded by Supervisor Bates, be it resolved as follows:

1. Pursuant to Section 25538 of the Government Code, this Board of Supervisors declares its intention to sell, as is, where is, under the terms and conditions set forth herein, the following described real property inappropriate for park development and no longer required for County use, situated in the County of San Diego, State of California:
   The East 495 feet of the Southeast Quarter of the Northwest Quarter of Section 1, Township 17 South, Range 1 East, San Bernardino Meridian, according to United States Government Survey, containing 15 acres more or less.
   A complete legal description is on file and available for inspection at the Department of Real Property, 5555 Overland Avenue, San Diego, California 92123.
2. **Minimum Sealed Bid:** $10,300.00
3. **Bids:** Sealed written bids must be submitted on a form supplied by the County's Real Property Director, and the envelope containing the bid must be signed by the bidder. Said sealed bids will be received at the office of said Real Property, Director, Room 208, County Operations Center, 5555 Overland Avenue, Building 2, San Diego, California 92123, until 2:00 o'clock p.m. on June 9, 1976, at which time they will be publicly opened, declared and considered.

Anytime before the time schedule for formal bid opening, a bidder, upon proper application and identification to the Real Property Director shall have the right to withdraw his bid and the bid security shall be returned to said bidder. No written bid may be withdrawn after the time set for bid opening without the Community Services Administrator's approval and a bidder so withdrawing his bid may be held liable for damages and costs to the County incurred as a result of said withdrawal.

At the time and place said written bids are opened and declared, oral bids exceeding by at least 5% the highest written bid submitted will likewise be received from responsible bidders. All written bids and the highest oral bid shall remain open and subject to acceptance by the County's Community Services Administrator for a period of 7 days after written bids are opened and declared. The Community Services Administrator reserves the right to reject any and all bids and to waive any informalities in the bidding.

4. **Security Deposit:** Each sealed written bid and the highest oral bid, if any, must be accompanied by a security deposit in the form of cash or cashier's check, in an amount not less than $1500 as a guarantee that the successful bidder will enter into an escrow and pay the purchase price. All checks shall be made payable to the County of San Diego. The difference between the amount submitted as security deposit and the required down payment need not be presented at the time of opening and declaration of bids but must be deposited with the escrow holder prior to close of escrow. All bid security deposits shall be retained by County until selection of successful bid and shall be returned to unsuccessful bidders as soon as possible thereafter.
5. **Terms:** Down payment of cash in amount not less than 15% of the purchase price and a note for the balance of the purchase price to be paid in not more than 120 monthly installments with interest on the unpaid balance at the rate of 9 per year, secured by a Deed of Trust naming the County of San Diego as beneficiary. Should Trustor under said Deed of Trust further encumber, or convey the property described herein or any part thereof without written consent of County, all sums secured by said Deed of Trust shall become immediately due and payable.
6. **Escrow:** Within 10 days after acceptance of a bid, the County will open a escrow. The successful bidder shall pay all recording fees, documentary stamp taxes or other real estate transaction taxes or fees by whatever name known, including escrow fees.
7. **Title:** County will convey its right, title and interest in the property described herein by Quitclaim Deed. County assumes no liability for any other possible encumbrances either of record or not of record. No policy of Title Insurance will be furnished by County, and prospective bidders should consult local title companies if more complete information regarding the status of the title of said property is desired.
8. **Commission:** A commission not to exceed 5% of the purchase price will be paid by the County in accordance with Government Code, Sections 2557, 25530, 25531, and 25532 out of the proceeds of the sale to the licensed real estate broker(s) who is instrumental in obtaining the successful bid.
9. Be is further resolved that the Clerk of this Board is hereby directed to publish notice of intention to convey real property pursuant to Section 6061.3 of the Government Code.

PASSED AND ADOPTED by the Board of Supervisors of the County of San Diego, State of California, this 27th day of April, 1976, by the following vote:
AYES: Supervisors Walsh, Brown, Conde and Taylor
NOES: Supervisor Bates
ABSENT: Supervisor None

Less Weddings
There were 1,442 fewer marriages in Hong Kong in 1975 than during the previous year.

DOG DAY AFTERNOON — It is not too unusual for Spring Valley fire fighter to respond to the aid of an expectant mother, but seldom do they find her wedged under a patio. Such was the case when firemen responded to a call at 521 Osage st. There they found Cinnamon, an expectant five-year-old German Shepherd, who had crawled under the concrete patio slab and could not get out. After considerable digging by Spring Valley firemen Dave La Mora, Dan Reed and Rudy Truttmann, Cinnamon was pulled to safety and reunited with her happy owner Rani Ribby, 17-year-old Mt. Miguel senior. Shortly afterwards, a relieved Cinnamon ended suspicions of a false labor by giving birth to a litter of eleven pups.

State Att. General Cites Businesses for Rent Service, Tear Gas, Health Board

A San Diego rental home locator service, a New York firm selling a tear gas dispenser and a manufacturer of a device of dubious therapeautic value have been cited in separate actions by State Attorney General Evelle Younger.

Rentex, a firm providing rental information to consumers for a fee, has been charged in a complaint filed by the Attorney General's office in San Diego with alleged violations of state laws prohibiting misleading advertising and unfair business practices.

The complaint seeks injunctive relief and civil penalties, as well as restitution of service fees to some consumers.

The firm, also known as Rentex of San Diego, maintains offices in other parts of the state, including San Francisco, Sacramento and San Jose.

According to the complaint, the business induces consumers to sign service contracts by placing advertisements which allegedly misrepresent the availability and nature of dwellings for rent.

Once the service fee has been paid, consumers often find that advertised listings are outdated or fail to correctly describe the dwelling.

Although the service contracts have provided for a partial refund in the past, the complaint indicates that the firm often refuses to make such refunds or deliberately frustrates consumer attempts to obtain refunds.

The complaint also alleges that Rentex appropriates certain classified listings as its own and then charges consumers for information which would otherwise be available for the price of a newspaper.

Tear Gas For Sale

In another action, a civil suit, filed in Contra Costa Superior Court, seeks to stop a New York firm from selling a team gas weapon to California consumers.

The complaint notes that the Jet Manufacturing Co. has been advertising its "Guardian Protection Spray" in California seeking distributors, despite warnings from the Attorney General that it is illegal to sell, offer for sale, possess or transport the spray device in the state.

Under California law peace officers are the only persons permitted to carry tear gas weapons. Agreeing to sell the product could result in criminal sanctions, he warned Californians. Persons who have been contacted by the firm are asked to inform the Attorney General or local law enforcement agencies.

50-Watt Bulb

Finally, a restraining order has been issued by Superior Court in San Bernardino enjoining the sale of a device called the "accelatron board." Proponents claim the device is effective in the treatment and prevention of various diseases, including cancer, arthritis, emphysema, heart and eye conditions, high blood pressure and ulcers. The Attorney General reports that according to independent testing the board (also known as "Elifeton" unit or "Solarama" board) has the therapeutic value of a 50-watt light bulb.

June 8 Primary to Decide

Second Grossmont Jr. College Hinges on Passage of Prop. 4

With a sense of quiet desperation, community college officials at Grossmont Community College and other junior colleges in California are doing what they can to assure the passage of Proposition 4 in the June 8 primary election.

The measure, which would allow the State of California to sell up to $150 million in bonds for community college construction, is the tenative financial basis for many of the construction projects now listed in the master plans of the two-year schools. If California voters do not pass Proposition 4, the proposed projects will have to be shelved for an indefinite period, or they will have to be financed through other methods — most likely through sharp and obviously painful increases in local property taxes.

Many of the community colleges have an urgent need for the bond money.

Grossmont Community College District's share will amount to nearly $5.5 million, the largest amount going to any single community college district in the state. The money will finance slightly over 67 per cent of the cost of construction for the first increment of the second college in the district. If Proposition 4 passes, present plans call for the first buildings to open for classes in the Fall of 1978. Three to four thousand students are expected to enroll when the new college opens to relieve already overcrowded conditions on the Grossmont College campus in El Cajon.

Adding to the dilemmas of the various college officials are the often-confusing provisions of Proposition 9, (Political Reform Act of 1974), which restrict them from using in-lieu donations of their time and campus resources to campaign for the bond measure. To offset the problem, the California Community and Junior College Association has enlisted the help of a professional campaign organization, Braun Campaigns, Inc., of Los Angeles, to handle the bulk of the fund-raising and promotional activities. Others interested in assuring the success of Proposition 4 have formed an organization called "Californians for Community Colleges," headed by San Francisco attorney, Bert Levit.

Man's Pressure To be Masculine Studied on Film

The pressures of maintaining the "masculine" image are revealed in a film, "Men's Lives," to be presented Friday, May 21 at Grossmont College.

All about masculinity in America, the film reveals the many ways in which men are pressured by society to be "masculine," just as women are pressured to be feminine." The film documentary exposes mechanisms used to enforce aggressive, dominant behavior in men.

The film, sponsored by the college's Women's Center, is presented at 8 p.m. in Room 544A, Business and Liberal Arts Building.

A San Diego men's group formed last year through the Feminist Free University, will be present to facilitate a discussion of the issues raised in the film.

The public event is free.

Student Gallery Items For Sale

Grossmont College Gallery opened the first phase of the Annual Exhibition of Student Work on Monday. The first phase, running through May 21, features painting, drawing and photography. Phase two will open May 24 and will feature sculpture, ceramics and cinematography.

Juried by the gallery director and Art Department faculty, the exhibition will display the best student work completed in 2 and 3 dimensional phases during the past academic year. The public may purchase the works displayed at a relatively low cost, the college reports.

Viewing hours are from 9 a.m. to 9 p.m. Monday through Thursday, 9 a.m. to 3 p.m. Fridays.

Helix to Stage Concert

"On Stage '76", Helix High School's annual Pop's Concert, will be presented in the gymnasium May 25, 26, 27 at 7 p.m.

The concert features song favorites of yesteryear as well as current hits sung by Helix's Choir, Choraliers and Glee. Seven soloists will also be featured. Tickets are $1.

USD Nursing School Earns Accreditation

The University of San Diego's Philip Y. Hahn School of Nursing has been accredited by the National League for Nursing, USD's president Author Hughes announced.

The school earned accreditation, effective immediately, after only 15 months in operation.

Gumbrell Tabbed for National U. Position

Arthur J. Gumbrell has been appointed acting Dean of Student Affairs at National University, according to National's President, Dr. David Chigos.

The University's main campus is located in Mission Valley, at 4141 Camino del Rio S., between the 40th and Fairmount exits off Highway 8.

Dean Gumbrell was director of U.S.I.U.'s schools in England and Mexico.

In addition to directing the academic and business operations of the two campuses, he also was involved in planning a curriculum in International Business Management.

Prior to his assignment abroad, Dean Gumbrell served as Superintendent of the San Dieguito High School District. During that time he brought the district into a consortium of 13 school districts, large and small, to jointly plan and build school plants. This unique arrangement, known as the "First California Commission on School Sytems Development", set a new path for systems planning and resulting economies. He is a charter director of the San Diego Economic Opportunities Commission and as president of the San Diego section of school administrators.

Grossmont Student Choreographers Book Spring Dance

The Grossmont College Dance Group presents their 12th Annual Spring Dance Concert at p.m. today, Friday and Saturday in the Student Center on the El Cajon campus.

The program will include new and original modern and jazz dances by faculty members Lolita Carter and Marcia Phillips.

Student Choreographers include Sharon Berkel of Spring Valley and Teri Weikel of Lemon Grove.

General admission at the door is $2. Grossmont College faculty and staff, students and children will be admitted for $1.50.

Health Check-up Mandatory for School-Bound

If kindergarten is approaching for your child, it's time to start thinking about his Child Health and Disability Prevention (CHDP) screening, the County Department of Public Health reminds.

According to state law, health check-ups are required for all youngsters some time within the 12 months prior to entry into first grade, unless their parents sign a waiver. The law also specifies that screenings be provided periodically for Medi-Cal recipients to age 21.

Children entering first grade should present to their school a certificate, signed by a physician or his designee, showing that the following have been completed: a health history, including a developmental and nutritional assessment; hearing and vision tests; a physical examination, including a dental assessment; needed immunizations; and appropriate lab tests.

The state pays for screening Medi-Cal recipients and children from families at or below 200 per cent of the poverty level. A series of special CHDP clinics for low-income families have been initiated by the Health Department.

Freedom Games Free Saturday at Balboa

Mickey Tyler, former Olympian (1948), founder and coach of Mickey's Missiles track team, is presenting a free track meet Saturday at Balboa Stadium.

The all-day event, called Mickey's Freedom Games, will have several Olympic champions and World Class participants, on the field.

Alice Coachman, 1948 Gold Medalist; Kathy Weston, 800-meter champion; Jarvis Scott, 400-meter finalist; Wyoma Tyrus, Olympian 1968-1972; Debra Sapenter, 400-meter former World Record holder; the Long Beach Comets; L. B. Lancers; Prems Track Team; Wilt's Wonder Women; S.D. Cougars and the New Orleans Superdames, and others.
